

Class 4 Curriculum Newsletter

Summer Term 2024

Welcome back! I hope you have all had a restful Easter break!

This term our topic will be 'All in the Past' with a focus on the Stone Age. We will cover many areas of the curriculum throughout this. Please see below an overview of what we will be studying.

Science The children will be studying evolution and inheritance.	Design and Technology The children will be learning about food preparation and the importance of food hygiene.	Computing The children will be learning about programming.
PSHE The children will be learning about economic wellbeing and transition.	Geography The children will be studying skills and fieldwork, with a focus on the local area.	History The children will be learning about the Stone age and how they have impacted the modern world.
French The children will be focusing on vocabulary linked to verbs in a French week and families.	Music The children will be learning about African music and composition to represent the festival of colour.	PE This term children will be learning about athletics and dance.
RE Children will explore pilgrimage and creation in relation to science and religion.	Maths Y5-Shape, position, direction, decimals, negative numbers, converting units and volume. Y6-Shape, position and direction.	
Writing The children will be learning about genres of text that entertain and inform. They will have the opportunity to write in a range of given forms including: narratives, poetry, non-chronological reports and newspapers.		Reading Children will study The Boy with the Bronze Axe by Kathleen Fidler by consolidate the reading skills they have learned throughout the year and learning to further develop their answers.

Thank you,

Mrs Jones
